Tutoring Experience

I have been tutoring for over a decade, focusing on both IB and IGCSE Chemistry, as well as Statistics for students aiming for top marks. My experience extends to preparing students for the UCAT and BMAT exams, where I've helped numerous students gain admission to prestigious medical schools. My teaching philosophy revolves around patience, clarity, and adapting to the individual needs of each student, ensuring they not only excel in their exams but also develop a genuine interest in the subject matter.
